SUCCESSFUL NAPLAN TESTING CONCLUDES FOR 2024

THANK YOU TO THE MORE THAN 1.2 MILLION STUDENTS WHO COMPLETED NAPLAN 2024

It's a wrap for NAPLAN 2024. A record 4.48 million online tests were successfully completed by more than 1.2 million students in 9,411 campuses and schools across Australia.

This is the second year NAPLAN has taken place in March and the third year of full online testing.

ACARA CEO Stephen Gniel thanked students, teachers, schools and jurisdictions for their combined efforts in ensuring this year's NAPLAN tests ran as smoothly and seamlessly as possible.

"NAPLAN is a massive operation to undertake each year and we have been working closely with our partners right around the country in preparing for these assessments," said Mr Gniel.

"I'd like to give a big thank you to our fantastic teachers, principals and school staff for their hard work in getting their individual schools and students ready for these important assessments.

"I'd also like to thank our state and territory colleagues for their close collaboration and support in making NAPLAN 2024 such a successful test event.
